ACTIVITIES

We recently held our second meeting on the upcoming Malaysia Stroke Clinical Practice Guideline in Hotel Jen Penang on 17 November 2018. Majority of neurologist involved had attended the discussion and the next meeting is set on January 2019 in Klang Valley.

At the same time, Hospital Seberang Jaya Emergency Department together with Medical Department Seberang Jaya held a half day workshop focusing on the role of ED in coordinating care of acute ischaemic stroke. The workshop is a success. We hope to emulate this formula and conduct this workshop nationwide

THE INAUGURAL MALAYSIA STROKE CONFERENCE 2019

As part of the council effort to further engage more stakeholders and raised awareness on stroke care, we planned to organize the inaugural Malaysia Stroke Conference 2019. Tentatively the date is set to be on 19-21 April 2019 in Penang .

STROKE MASTERCLASS 2019

Another significant activity in the pipeline is the first cooperation between Australia Stroke Academy and Malaysia Stroke Council. We aimed to organized a Stroke Masterclass in second half of 2019. Visiting professors from Australia and Malaysia will jointly conduct the masterclass.
